Dear Proprietor

Thank you for providing your action plan on 26 April 2018. The action plan has been evaluated and has been approved.

ISI has confirmed that the school provided evidence of prohibition from teaching checks for all its peripatetic teachers during the January inspection, which were then entered correctly onto the School's Central Record on 28 January 2018.

The department is satisfied that the school has met all of the regulatory standards and I confirm that there is no further action required of the school by this department.

The Independent Schools Inspectorate will inspect your school again in due course according to their regular cycle of inspections.

In the meantime, I would like to thank you for your help in this matter.

Yours sincerely

Carol Gayles
